Johnsons Electrical Packages Specifications

All electrical packages are installed and checked by a qualified and experienced electrician. All exterior power cables will be in armoured cable. All interior power cables will be in white cable trunking. All lights unless otherwise stated are standard pendant light fittings. Extra sockets, lights, switches and increased supply are available. All packages are subject to survey and a charge will be made for any extras. Electrical packages cannot be discounted.

Our electrical packages are recommended to suit the usual requirements based on a particular size and style of cabin. It is possible to upgrade your electrical package should you prefer and we can also offer a fully bespoke electrical service tailored to your own specifications.

Lifestyle Electrical Package
