Johnsons Electrical Packages Specifications

All electrical packages are installed and checked by a qualified and experienced electrician. All exterior power cables will be in armoured cable. All interior power cables will be in white cable trunking. All lights unless otherwise stated are standard pendant light fittings. Extra sockets, lights, switches and increased supply are available. All packages are subject to survey and a charge will be made for any extras. Electrical packages cannot be discounted. Our electrical packages are recommended to suit the usual requirements based on a particular size and style of cabin. It is possible to upgrade your electrical package should you prefer and we can also offer a fully bespoke electrical service tailored to your own specifications.

Lifestyle Electrical Package - ONLY... £849

Consisting of a medium consumption supply of 13-20 amps. The supply will be connected either to a suitable point in a power socket in the main house or directly to the fuse board of the house or suitable outbuilding. Up to 15m of Armoured cable to cabin included in price (charge for extra distance), 2 double switched sockets, 1 x switched pendant light.

Comfort Electrical Package - ONLY...£1089
